SILVEREXPRESS™

Built on years of time-critical global shipping, QuadExpress is your logistics specialist with deep roots in the air freight industry and a full range of air freight solutions.

QuadExpress is one of the country's leading air freight forwarders, with competitive options to respond to today's time-critical requirements.

ANY DAY SERVICE FOR DOMESTIC AND INTERNATIONAL

From across the country to around the world, QuadExpress delivers a worry-free, on-time shipping experience. Whether same day, next day, two day, or three to five day deferred shipments, we will work to understand your challenges and provide a logistics solution that is the right fit in both cost and timing.

Our air freight delivery solutions are made to fit your needs:

- Same day service for expedited or time-critical, anywhere in continental U.S.
- Urgent pickup based on size and weight, including after hours
- Air charter services
- A range of service levels to fit needs and budget, from time-definite to time-flexible
- Weekend and holiday service options

Your shipment will get where it needs to be, when it needs to be there through our full range of air freight delivery services.

AIR FREIGHT SERVICE PARTNERS

When time is not your ally, QuadExpress will be. Our worldwide network ensures your shipment will be routed efficiently and cost-effectively. Leveraging Quad/Graphics' strategic partnerships—ranging from the U.S. government to the world's leading airlines—we have committed capacity to reliably reach your destination under demanding time constraints.

As part of our logistics optimization process, our Import Specialists analyze your inbound program to determine your needs and the best strategic solution:

- Customs clearance
- Break bulk
- Product distribution
- Value-added import services
